# 1. Background

## **Company History**

Ihawu has been in existence since 2003 and has been involved in training and the sale of arms and ammunition and other related equipment throughout this period.

## **What we do**

Ihawu is a multi-faceted company aimed at catering for all the needs of the active shooter, this includes Law Enforcement, Military, sportsmen, hunters, security officers and anyone who is active in the firearm industry.

# 2. Strategy & Vision

## **Vision statement**

Our vision statement is to spread the Ihawu network to all available respondents, including learners, consumers and retailers and strive to become one of the leading brands in the firearm industry of South Africa.

## **Mission statement**

Our mission is to create a change in the knowledge, skills and attitude of all persons involved with the Ihawu network by providing quality products and value for money within the firearm industry.

## **Values**

Ihawu places its values in integrity, service and value for money. A high level of integrity and efficiency is demanded of all Ihawu personnel during their daily activities.

## **Business goals & objectives**

The goal and objectives of Ihawu is to increase the levels of quality and service already provided and furthermore, to physically develop each individual facet of the company.

## **Growth strategy**

Ihawu continues to grow by continually adding products to its product line and developing and adding additional training courses relevant to the needs of its clients.
